March 11, 2016

SUMMARY OF BILL: Requires the Department of Safety (DOS) to make essential services accessible at all driver license stations, as defined by the bill, to citizens across the state in rural, suburban, and urban areas. Prohibits the closure of any full service driver license station that is operational as of January 1, 2016, if the closure removes from the county seat any essential services more than 30 miles to the next driver license station.

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the DOS, the provisions of the bill can be accomplished within existing resources.
- Restricting the future closures of driver service centers will not affect expenditures or revenue relative to current law.
